WEED & PEST

CONTROL GUIDE

KEEP THE PESTS AWAY ON THE RANCH

DURVET PERMETHRIN 10%

Pour-On - Durvet Permethrin 10% is a versatile, long-lasting insecticide concentrate designed to provide effective control of a wide range of pests including flies, fleas, ticks, lice, and mosquitoes. Ideal for use on livestock, poultry, dogs, and in and around barns, stables, kennels, and homes, this highly concentrated formula can be diluted to meet your specific needs, making it an economical choice for pest control. When used as directed, it's safe for both animals and surfaces, offering reliable protection against nuisance insects and helping to maintain a healthier environment for your animals and property.

107296 Reg. 97.99 **\$89⁹⁹**

HORSE & STABLE Multi-Use Spray

Horse & Stable is a multi-use, ready-to-use insecticide for control of stable flies, horn flies, face flies, deer flies and other listed insects. This product is to be used on horses, cattle, poultry, swine, goats and sheep.

2004510 **\$9⁹⁹**

PEN & POULTRY Chicken and Roost Insecticide Spray

Chicken and roost insecticide for control of lice and mites. For use on poultry and in and around animal housing. Ready-to-use. Convenient two-setting sprayer: stream for spraying roosts, and fine mist for spraying directly on poultry.

82004511 **\$16⁹⁹**

PROFESSIONAL STRENGTH PEST CONTROL

BIFEN I/T Insecticide/Termiticide

Bifen I/T contains 7.9% bifenthrin and provides excellent control of over 75 insect pests, leaves a long-lasting residual, is odorless, non-staining, dries clear and is safe around children and pets when used as directed.

82004441 32 Oz. **\$77⁴⁹**

TEMPO® SC ULTRA Insecticide

Fast-acting insect control in a suspension concentrate delivers the power of a powder formulation in a liquid. It's easier to use, less messy to handle, needs less agitation and is more evenly dispersed during application. Provides quick broad-spectrum control of more than 100 nuisance pests. Features immediate knockdown, long residual, low toxicity and is labeled for many pest including the emerald ash borer.

WEED CONTROL

ERASER A/P - Herbicide

This product is recommended for use in a variety of settings, including pastures, forage legumes, rangelands, row crops, Roundup Ready crops, industrial areas, turf, ornamental landscapes, vegetable gardens, and home gardens. It is highly effective in controlling a broad range of unwanted vegetation such as annual and perennial weeds, trees, vines, shrubs, cattails, water hyacinth, water primrose, and duckweed.

1256004 2.5 Gal. **\$139⁹⁹**

TVC - Total Vegetation Control

Martin's TVC (Total Vegetation Control) is a powerful weed killer that works before or after weeds appear. It's great for use in non-crop areas like railroads, utility sites, tank farms, fence lines, pastures, and rangelands. It controls just about everything—annual and perennial weeds, grasses, broadleaf weeds, brush, and even trees—making it ideal for keeping large areas clear and weed-free.

1304985 Qt. **\$49⁹⁹**

ERASER - Weed & Grass Killer Concentrate

This concentrated, low-odor, water-based weed killer offers great value and fast results. It becomes rainproof in just a few hours and targets only existing weeds and unwanted vegetation. Safe for replanting flowers just one day after use and new lawns after seven days, one quart makes up to 21 gallons of spray. Ideal for use outdoors—around driveways, homes, flower beds, vegetable gardens, lawn edges, and for lawn renovation—it effectively controls annual and perennial weeds, trees, vines, shrubs, cattails, water hyacinth, water primrose, and duckweed.

2, 4-D AMINE - A Selective Weed Killer

2,4-D Amine is a post-emergent herbicide that helps get rid of tough broadleaf weeds and brush after they've already started growing. This water-based formula is safe for most turfgrass when used as directed and is also approved for use around crops, sod farms, aquatic areas, and along fence lines and roadsides. It can even be used for tree injection or mixed with other products in a tank. It's effective against weeds like dandelion, bindweed, thistle, wild onions, and more—making it a versatile and reliable choice for weed control.

ERASER MAXX - Super Concentrate Herbicide

Eraser Maxx Super Concentrated Herbicide is a powerful, fast-acting weed killer that controls grasses, broadleaf weeds, brush, and vines with just one application. It keeps unwanted growth away for up to a year and can be used for total vegetation control or spot treatments. It's perfect for areas like fence rows, driveways, patios, mulch beds, and gravel paths, and it effectively kills weeds, grasses, vines, brush, and even small trees.

1254845 Qt. **\$40⁹⁹**

1254846 Gal. **\$111⁹⁹**

3-WAY LAWN WEED KILLER - Herbicide

3-Way Lawn Weed Killer is a post-emergent herbicide that targets broadleaf weeds without harming your grass. With three powerful ingredients, it offers effective, affordable weed control. It's great for use on residential lawns, sod farms, highways, and other non-crop areas. 3-Way tackles common weeds like clover, dandelion, henbit, plantains, wild onions, and many other broadleaf weeds.

100070043 Qt. **\$22⁹⁹**

TRICLOPYR 4 - Herbicide

Martin's Triclopyr 4 is a powerful herbicide that helps get rid of unwanted woody plants and both annual and perennial broadleaf weeds. It's great for use in forests, pastures, rangelands, and non-crop areas like industrial sites, railroads, and fence lines. It's also safe for certain turf grasses like bluegrass, ryegrass, and tall fescue—making it a good option for sod farms, commercial turf, and golf courses. It effectively controls tough plants like bermudagrass, clover, poison ivy, poison oak, wild violet, wild rose, kudzu, oak, and more.

2210017 Gal. **\$104⁹⁹**

PRAMITOL® 25E - Herbicide

Pramitol is a powerful, non-selective weed killer that not only eliminates existing weeds but also stops new growth for up to a year by sterilizing the soil. It's great for keeping areas completely clear of vegetation, like around buildings, fences, fuel tanks, roadways, and other non-growing zones. Just one quart covers up to 2,500 square feet. Pramitol is especially effective against tough weeds and grasses like Johnsongrass, bindweed, quackgrass, goosegrass, wild carrot, and more—making it ideal for long-term, bare-ground weed control.

WEED CONTROL

MILESTONE - Herbicide

Milestone Specialty Herbicide is a selective herbicide designed for controlling noxious and invasive broadleaf weeds, woody plants, and vines in rangelands, pastures, and other non-crop areas. It is particularly effective against tough annual, biennial, and perennial weeds, including invasive species. The herbicide is formulated to be safe for most desirable warm and cool-season perennial grasses.

6002997 Qt. **\$133⁹⁹**

CROSSBOW - Herbicide

Crossbow herbicide is a post-emergent, broad-spectrum herbicide used to control unwanted woody plants, brush, and broadleaf weeds on rangeland, pastures, CRP land, and other non-crop areas. It is designed to be selective, meaning it generally does not harm desirable grasses.

600950903 Gal. **\$64⁹⁹**

60000300 2.5 Gal. **\$159⁹⁹**

STUMP KILLER - Herbicide

Martin's Stump Killer is a ready-to-use solution that helps stop unwanted trees from growing back after they've been cut down. It's great for use in forests, fencerows, roadsides, and other non-crop areas. The built-in blue dye makes it easy to see where you've applied it, so you know the job is done right. Just apply it to the cut surface of the stump, and it works to prevent new sprouts. It's effective on trees like birch, oak, maple, cedar, cherry, and many more.

82210013 Qt. **\$16⁹⁹**

GLY STAR PLUS - Herbicide

Gly Star Plus is a powerful, non-selective weed killer that targets weeds down to the root. It's a generic version of Roundup, using 41% glyphosate, and comes as a liquid you mix with water and spray. It works fast—most annual weeds show results in 2 to 4 days, and tougher perennials in about a week. Because it doesn't stay in the soil, you can replant just a few days after using it. Gly Star Plus is great for use in areas like driveways, mulch beds, walkways, fence lines, and other bare-ground spots. It kills grasses, broadleaf weeds, brush, and shrubs—but be careful, as it will damage lawns too.

60000299 2.5 Gal. **\$74⁹⁹**

KILLZALL - Herbicide

Kill-Z-All is a brand name for Hi-Yield Super Concentrate Killzall Weed & Grass Killer, a non-selective herbicide used to kill weeds and grasses. It's typically applied as a post-emergent herbicide, meaning it's used on plants that are already growing. Kill-Z-All works by targeting and killing weeds and grasses down to the root, making it effective for various types of weed infestations.

125692 Qt. **\$21⁹⁹**

TORDON - Herbicide

Tordon RTU Herbicide is a convenient, ready-to-use solution for stopping unwanted trees and woody plants from coming back. It's especially useful along roadsides, fence lines, and other non-cropland areas. Tordon targets invasive species like aspen, ash, dogwood, hickory, and more, killing stumps and preventing regrowth with just one application. There's no mixing required—just apply directly to the cut surface of the stump. It's a trusted choice for long-lasting tree control on managed lands.

600999119 Qt. **\$23⁹⁹**

PREFER 90 - Herbicide

Prefer 90 is a nonionic surfactant used to enhance the effectiveness of various pesticides, including insecticides, fungicides, and herbicides. It works by improving spray solution coverage and penetration, allowing the pesticide to stick better to treated areas and achieve more uniform distribution.

600957945 Gal. **\$45⁹⁹**

600957946 2.5 Gal. **\$79⁹⁹**

WEEDMASTER - Herbicide

Weedmaster Herbicide is a selective post-emergent weed killer that targets a wide range of broadleaf weeds and brush without harming your grasses. It's perfect for use in pastures, hayfields, and select row crops, helping to keep forage clean and productive. Designed for flexibility and reliable control, Weedmaster works on annual, biennial, and perennial weeds, making it a go-to solution for landowners and farmers looking for effective, season-long weed management.
